Ahmedabad, Gujarat

SUMMARY

Results-driven QA Intern with 4 months of hands-on experience in manual testing, automation testing (Selenium Python), and API testing. Worked on multiple real-time projects involving requirement analysis, test case design, test execution, defect reporting, and test documentation. Skilled in creating and maintaining automation scripts using Selenium WebDriver, performing API validation using tools like Postman, and collaborating with developers to ensure product quality and timely delivery.

EDUCATION

Gujarat Technological University | 2024-2026

Master Of Computer Application

CGPA: Pursuing

Swarnim University | 2021-2024

Bachelor Of Computer Application

CGPA: 9.2

WORK EXPERIENCE

Moweb Technologies | Oct 2025- Jan 2026

QA INTERN

- Performed manual testing including functional, regression, smoke, and UI testing on multiple web applications.
- Created and executed Selenium Python automation scripts using XPath/CSS locators, waits, assertions, and page interactions.
- Designed and maintained test cases, test scenarios, and test data, ensuring complete test coverage.
- Identified, reported, and tracked bugs using internal bug tracking tools, and coordinated with developers for fixes and retesting.
- Tracked test status, defects, and progress reports using Excel.
- Documented test execution results and bug details in Excel sheets

SKILLS

- Python
- Functional Testing
- SQL
- Excel
- Bug Reporting & tracking
- Selenium
- Agile Methodology
- Regression Testing
- Asana
